

Assignment

Day 4 Instructions Adding and Formatting Text

Note: Please feel free to use your own fonts with this.

1 Draw text box and type your text.

- Click on the Type tool to draw a text box. **Important:** Hold your cursor outside the document window and then click and drag to draw the text box. Type in the words "Fresh Ideas."

2 Format your text.

- With the Type tool selected, highlight the text inside the text box.
- Click and highlight the font name inside the font window and type in the word "Sanchez." Hit enter.
- Change the font size in the  field to "100" and hit enter. Also click on the  icon to center the text.
- Highlight the text with the Type tool and then click on the Swatches palette. Click the "T" icon  to bring it to the front and then click the darker green color in the swatches list. (C=64 M=0 Y=76 K=0).
- To center the text box itself, click on the Pointer tool and then click on the text box. Click and drag over the image, white box and text box (starting outside the pink lines of the document area) and then click the  icon in the Control palette. Also with the Pointer tool, click on the handle at the bottom of the text box to bring the bottom edge of the text box closer to the text.

3 Create the rest of the text.

- Copy and paste the "Fresh Ideas" text box with "Command + C" (Mac) or "Control + C" (PC), and with "Command + V" (Mac) or "Control + V" (PC).
- Highlight the words in the text box and type "Kitchen Backsplash."
- With the text highlighted, type in "121" in the  field and "140" in the  field. Center the text box on the page using the same method as above and use the arrow keys on the keyboard to adjust the text box vertically.
- Draw another text box with the type tool, clicking and dragging outside the document area to draw the box. Type in the words "for your" in the text box and with the text highlighted, also highlight the font name in the font field, type in "Museo 300" and hit enter. Change the size to "60" in the  field. In the Swatches palette, click on "Black" and then type "70" in the "Tint" field and hit enter. Click back on the Pointer tool, click on the text box and move it into place.
- Create the text for the circle with the same methods as above. Create a new text box and type in the words "New Series!". Change the font to "Lobster 1.3", then type "70" in the  field and "63" in the  field. Also click on the  icon to center the text. Then with the text still highlighted, click on the Swatches palette and click "Paper." Click back on the pointer tool and drag the text box into position over the circle.

4 Draw the lines.

- Click on the line tool, hold shift and then click and drag to draw the line — make it the length of the "FRE" in "Fresh." To format the line, click on it with the Pointer tool and in the Swatches palette with the line icon on top, click "Black" and type "60" in the "Tint" field. Hit enter. Click on the Stroke palette with the line selected and type in "2" in the "Weight" field.
- Copy and paste to make a second line, and then position both of them around the words "for your." You can align them by holding down shift, selecting both of them and clicking the  icon in the Control palette.
- Save the document and close.

That's it for today! We've finished creating the graphic and next we'll be exporting it for the web and making our template.
